RECENT EXPERIENCE

SIXIDES ADVERTISING PTE LTD

July 2022 - Present | Lead Web Developer | Singapore (Remote)

Developed Sixides.com, which includes customer and business dashboards, along with a customized admin CMS.

Worked on eQuote, a platform that offers homeowners renovation estimates and facilitates connections with interior designers.

NIGHTMORNING STUDIOS SDN BHD

May 2016 - April 2022 | Co-founder & CEO | Malaysia

Led a 10-member team and collaborated with renowned brands such as JD Sports, Hong Leong Bank, Astro Awani, and MDEC.

Spearheaded the design and development of a digital platform for a virtual game developers conference and created hyper-casual web and mobile games for gamification-driven campaigns.

WIGU GAMES SDN BHD

October 2014 - April 2016 | Producer | Malaysia

Managed a team of 12, published 4 mobile games on the App Store and Play Store, and ported games to region based publishers.

Published Guilds of Destiny, an online RPG, playable on Kongregate.

VENTEURA INC

January 2010 - December 2012 | CTO | USA

Programmed Magpie, a mobile application specifically tailored for college students, which provides digital coupons.

If you're up for a challenge, decode this for a secret page on my website.
