RECENT EXPERIENCE

SIXIDES ADVERTISING PTE LTD
July 2022 - Present | Lead Web Developer | Singapore (Remote)

Developed Sixides.com, which includes customer and business dashboards, along with a customized admin CMS.

Worked on eQuote, a platform that offers homeowners renovation estimates and facilitates connections with interior designers.

NIGHTMORNING STUDIOS SDN BHD
May 2016 - April 2022 | Co-founder & CEO | Malaysia

Led a 10-member team and collaborated with renowned brands such as JD Sports, Hong Leong Bank, Astro Awani, and MDEC.

Spearheaded the design and development of a digital platform for a virtual game developers conference and created hyper-casual web and mobile games for gamification-driven campaigns.

WIGU GAMES SDN BHD
October 2014 - April 2016 | Producer | Malaysia

Managed a team of 12, published 4 mobile games on the App Store and Play Store, and ported games to region based publishers.

Published Guilds of Destiny, an online RPG, playable on Kongregate.

VENTEURA INC
January 2010 - December 2012 | CTO | USA

Programmed Magpie, a mobile application specifically tailored for college students, which provides digital coupons.

Aw jeez, Morty! Looks like my text is going all wonky and glitched up. Can you, uh, decode this mess?
